

# Bound (1 of 2)

Zach Neese

INTRO  
G

VERSE

I worship You alone in the quiet place  
 Where the stillness of my soul meets the brilliance of Your face  
 My heart is bound to You with a bond as thick as blood  
 I've struggled in my strength to break through sin's chains  
 But You did it with Your love

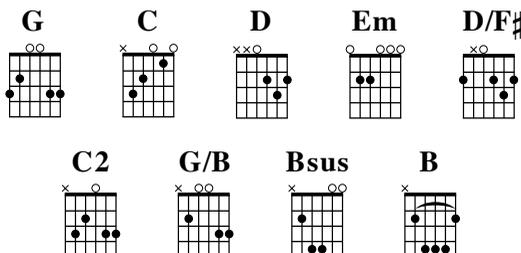

CHORUS

My heart is bound to You, deep calls unto deep  
 I'm staggered by Your love's sheer intensity  
 As its waves break over me  
*(Repeat Verse & Chorus)*

My heart is bound to You, deep calls unto deep  
 I'm circled in Your strength, caught up in Your grace  
 Enfolded in Your arms
