

Vocal Warmups

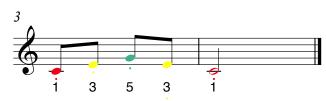

Repeat each exercise throughout your vocal range.

Try to use all the vowels in the course of your warmup [a e i o u]. The numbers underneath each note represent the scale degrees, and the colors are there to help you recognize recourring pitches.

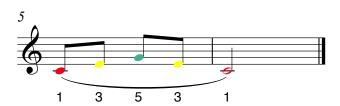

1. Lip Trills.

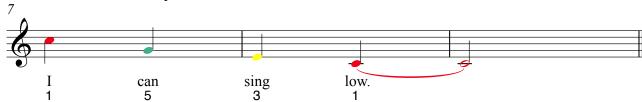

2a. Staccato Triads.

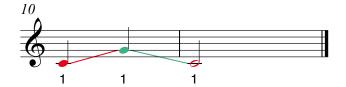

2b. Legato Triads.

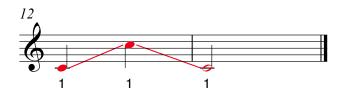

3. Go down a semi-tone each repeat.

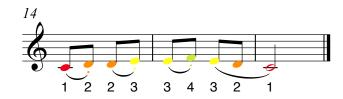

4a. Slide from scale degree 1 to 5 to 1.

4b. Slide from scale degree 1 to 8(1) to 1.

6a. Notice the articulations when singing this exercise.

6b. Sing this exercise slowly at first and then quicken.
